Child Care in Juneau, Alaska

AEYC supports the Juneau Child Care sector and connects it with families. Here is an overview of the types of programs available in Juneau along with some helpful resource information. Please note, information is subject to change.

Types of Child Care

Licensed Child Care:

Programs in this category have attained a Child Care License through the State of Alaska Child Care Program Office. A Child Care License is in addition to a standard business license. Everyone in the facility is required to pass a federal background check. They must meet basic health, safety, and nutrition standards. Additionally, they must have a current CPR and First Aid card on file. Caregivers must have at least 20 hours of child development training each year. There are two types of child care facilities; Family Child Care and Child Care Centers. Each have varying adult-to-child ratios depending on their facility size.

Head Start: Head Start is a nationwide, federally funded program whose purpose is to promote school readiness by enhancing the social, physical, and cognitive development of children. Head Start is provided at no cost to eligible families and accepts children ages three years old to five years old. Head Start adheres to federal regulations and guidelines.

Juneau School District Integrated Preschool/KinderReady Programs:

These programs are primarily designed to prepare children, 3-5 years of age, for elementary school; regularly serves a group of five or more children; and is operated by a school district.

Juneau School District School Age Programs (RALLY): RALLY is a state-licensed, school-age care program. During the school year, RALLY operates at each of the six elementary schools in the Juneau School District. Summer RALLY is offered at two sites; one downtown and one in the valley. RALLY offers developmentally appropriate activities for elementary-age children. Children experience physical, social, emotional, and cognitive development stages as they mature. RALLY staff is trained to recognize recognize these different stages and to vary materials and activities appropriately.

Child Care Assistance

State of Alaska (administered through thread): 1-855-479-2212

Central Council Tlingit & Haida Indian Tribes of Alaska: The Child Care program strives to increase the availability of child care services to eligible tribal citizens residing in Southeast Alaska.

The program provides grants to qualified applicants to help with the cost of child care. Families who work or are in training for more than 25 hours per week are encouraged to apply. In addition, they offer a Quality Improvement Program for providers to help with health and safety equipment, business licenses, and classroom training. For more information please contact CCHITA Child Care for more information, 907 463-7140.
