

Welcome to the SEAAEYC Childcare & Family Center

Phase I

Land Purchased!

As of January, 2025, our family center has a location on Honsinger Drive.

- Concept drawings of the childcare and family center
- View from the property

Phase II

\$16M Childcare Center & Children's Rec Facility

Juneau has only 1 licensed space for every 3 children who need care. This state of the art facility will serve 100 children and will function as a learning lab to help grow the childcare workforce. The indoor children's rec facility will be designed with universal access principals and welcome families of Juneau free of charge.

Nonprofit Office Space

Nonprofit agencies who serve families and children will co-locate to streamlines access for families and the delivery of resources.

- Adding \$4M into the economy as a result of parents joining the workforce
- Indoor play opportunities promote family wellness, quality of life, and attracts young families to Juneau
- Services co-locate to streamline resources and leverage programming
